KC/G/2024/23

20 March 2024

Dear Parents/ Guardians

We hope the girls had a good break during the March holidays. In this letter, we will be sharing information and updates on school matters, as well as upcoming events in Term 2.

1. Holistic Development of Students

We started the year by sharing our school values and our aspirations for every KC student: Compassionate Servant Leader • Innovative Problem Solver • Effective Communicator • Discerning Citizen of the World. Programmes in Term 1 such as Orientation, Total Defence Day, Learning Journeys, and Level Camps all contribute to the holistic development of students and are part of the KC experience. We would like to thank parent volunteers and alumni members who have contributed to these programmes and all parents and guardians for your support.

Besides a holistic student development programme, discipline is an important educative process which seeks to instil self-discipline and good character in our students. In recent times, there is increasing concern about Singaporean youths vaping and the school takes a firm stand against such serious offences. You play an important role in your child's/ward's education and we seek your partnership in guiding the students. You can refer to Parent Hub at <https://go.gov.sg/parent-hub-vaping> for more information about the harms of vaping or contact the school to work together in guiding your child/ward.

2. Issue of Results Slips

Term 1 results slips will be issued to students on Friday, 22 March. Students who joined the Meet-the-Parents Session on 5 March would have had a chance to share their goals and learning progress with you. Do continue this conversation with your child/ward throughout the year as your involvement will encourage her to build positive habits in learning.

To support students in learning, teachers provide consultations beyond lesson time. If you wish to discuss your child's/ward's learning progress with subject teachers, you may contact them via email or phone call.

3. Key School Events in Term 2

We look forward to Term 2 where school events such as Sports Day, Honours Day, Student Leaders Investiture and CHI Katong Convent 170th anniversary celebration will take place. For the dates of school events and programmes, you can refer to the school website at <https://www.chikatongconvent.moe.edu.sg/the-kc-experience/cal/>

Information such as reporting venue and dismissal time for the respective events will be shared closer to the date via Parents Gateway.
